If I saw something online that upset me, I would...

If someone I do not know tried to add me on a game, I would...

If my friend sent me unkind messages, I would...

UGLY

LOSER

If my friend asked me to download a new game on my tablet, I would...

If an unusual message popped up on my screen while playing a game, I would...

If someone I do not know asked me to send them a photo of myself, I would...

If a friend told me they were worried about something that happened online, I would...

If someone I do not know asked for my full name and where I go to school, I would...

Primary School

If my friend used my information to log into my computer without asking, I would...
